

9th International ISMO Symposium

„Reaching the Unreachable in a changing global context!“
Social Work with street children and youth at-risk

September 15th to 18th, 2008 - Stuttgart/Germany

Accommodation during the symposium

For participants of the Symposium we can offer the following accommodation alternatives:

1. Host Families

Mainly, the international participants will be placed in host families during their stay in Stuttgart. Therefore, no costs will arise.

2. Independent Reservations

Reservation in local hotels should be done soon, since during the symposium other big events will take place in Stuttgart. Hotel costs start from around 150 Euro.

Another opportunity are bed & breakfast rooms/apartments. Information can be found at www.bedandbreakfast.de (link Stuttgart) or www.night-and-day.de

3. Hotel Rooms through ISMO

In some hotels we were able to reserve rooms in advance. The prices for single rooms start at 50€, the prices for double rooms start at 80€.

4. Guesthouses

A somewhat cheaper alternative are accommodations in guest houses or the local youth hostel. ISMO has already booked several rooms. The prices are the following:

Single room (only few available)	Approx. 26 €/night
Double room (only few available)	Approx. 21 €/night
Three bed room	Between 19 and 22 € per night
Four bed room	Approx. 19€/night
Five bed room	Approx. 19 €/night

5. Basic Accommodation

We have several congregations and Mobile Youth Work organizations who offered their group rooms for a basic sleeping opportunity to participants of the symposium. You need a sleeping bag and maybe a sleeping pad (some provide mattresses). There will be at least a lavatory, sometimes also a shower. This is at no cost for the participants.

Information/Reservation of the different possibilities can be made via the ISMO office at the Stafflenbergstr. 76, phone:+49-711-2159-265 (Mo, Wed – Fr 10 a.m. to 1 p.m.) or ismo.symposium@googlemail.com
